academia & industry

Be a **MENTEE**

As a mentee, you can be at any career level seeking advice and solutions for professional or research goals.

Many ways to get involved!

Be a **MENTOR**

As a mentor, you will contribute resources and advice to a mentee or group of mentees.

Be a **CHAMPION**

As a champion, you will spread the word about the Mentoring Community with your personal network and on social media.

Be a **MODERATOR**

As a moderator, you will facilitate online discussions and seek outside help to answer questions, if needed.
